**Congratulations, you did it!  
Now please, do it again.**

Every two seconds, someone needs blood. The problem is that our needed seven-day supply has dwindled. So, even if you've already donated blood this year, we're asking you to please give again. If you're an eligible donor, call **1-800-GIVE-LIFE** to schedule your next appointment. [www.redcross.org](http://www.redcross.org)
